“

I am Manish, the founder of Manish Mehndi Art, a journey that began in 2005 as a humble exploration of my passion for mehndi art. Nestled in the vibrant city of Mumbai, my artistic journey has since blossomed into a celebration of love, tradition, and creativity. At Manish Mehndi Art, we don't just draw mehndi; we craft memories.

Introduction

Our Vision

From the inception of Manish Mehndi Art in 2005, my vision has been to create more than just beautiful mehndi designs. I envisioned a space where tradition meets innovation, where the strokes of henna tell stories, and where each design becomes a cherished memory.
